**Breeder Affix (if applicable):**

### **The Breeder agrees:**

- ✓ The hedgehog will be of good weight 180g+ at the time of leaving the breeders care.
- ✓ The hedgehog will be no younger than 7 weeks of age at the time of leaving.
- ✓ The hedgehog will not leave the breeders care with any signs of ill health. (If a hedgehog shows signs of ill health then the breeder will hold it back until well.)

- ✓ The hedgehog will leave fully registered with one of the standing registries at the time.
- ✓ The hedgehog will leave with change over food and lifetime support at a minimum, (carepack choices also available).

### **The owner agrees:**

- ✓ To house the hedgehog in a suitable home no less than 4.5 square feet in floor space.
- ✓ To provide a safe and constant heat source.
- ✓ To provide a diet consisting of high quality dry food, live insects and avoid known dangerous foods.
- ✓ To provide fresh drinking water at all times.
- ✓ To provide a running wheel no smaller in diameter than 11" and with a solid running surface, (no wire wheels).
- ✓ To provide a substrate suitable for sensitive respiratory systems.
- ✓ To maintain good levels of hygiene in the hedgehogs environment.
- ✓ To regularly trim nails and inspect the hedgehogs physical health.
- ✓ To ensure there is a back up care giver incase of emergencies.
- ✓ To register the hedgehog with a vet capable of treating hedgehogs. This should be done within first month of ownership and not left until an emergency situation.
- ✓ To inform the breeder of any future health concerns that may affect the breeders lines (l.e WHS).
- ✓ To inform and seek advice from the breeder for any difficulties the owner is having with care.
- ✓ To notify the breeder of any changes in address.
- ✓ To not purposefully cause harm, injury or distress to the hedgehog.

- ✓ To seek vet attention when needed.
- ✓ To love the hedgehog!
- ✓ To not breed the hedgehog without obtaining breeding rights, (separate contract) from the breeder first. This contract is for pet only unless combined with a 'Breeding rights' contract!

### **Surrender or re-sale:**

- The owner must get in touch with the breeder if they plan to surrender or re-sell the hedgehog.
- The owner has the right to search for a new suitable home for the hedgehog but must obtain the breeders approval before exchange.
- If a suitable home cannot be found or agreed upon, the breeder may accept the return of the hedgehog but will not be obliged to provide any monetary compensation.
- In the case of the hedgehog being returned to the breeder, the breeder may offer full or part refunds in the following circumstances...
  1. The hedgehog is under 6 months.
  2. The contract remains unbroken by the owner.
  3. A vet certificate is provided with evidence that the hedgehog is of ill health as a breeder fault or bad practice, this does not include WHS (which would be unknown to the breeder).

**This contract is legally binding. If the owner fails to meet the care requirements required or in anyway breaks this contract, the breeder will issue a formal warning in writing. A second breach in contract gives the breeder the right to seize the**

hedgehog without refund. If the owner refuses access to the breeder to seize the hedgehog, legal aid will be sought.
